

Vienna, 25.April 2024

To whom it may concern

We would like to thank the City Park Hotel & Residence in Poznan for cooperation and common organization of the Operations Day 2024. Their professionalism, high standard of service and attention to detail made our entire meeting as expected.

The event was prepared at the highest level as part of the accommodation and catering service.

We recommend the hotel and restaurants as a recommendable partner for cooperation.

Best regards,

Erwin Langela
